“ *Albert Lewis Turner is one of the reasons his nephews know and understand the beauty, courage, strength, trials, triumphs, and divine power of being Black, especially a Black man, in America. It is because of him knowing and sharing with his other siblings, who shared their knowledge and experiences with me that I have shared my knowledge and experience with my sons, and they now know how powerful they are to be a Black citizen of America. Knowledge of self is powerful and that is what my brother Albert gave to his nephews because he and my siblings gave this to me. Thank you my brilliant, beautiful, powerful, beloved Brother. Rest in Powerful Peace. Love, your sister Cam*

*My beloved Big Brother - Albert Lewis Turner Sr. I will keep things light... Thank you for your support with your protection of my siblings and me when duty called. You to me were as brilliant as you were mysterious. I talked with you a few times about the nickname, Doonie, that you gave me and that often only you called me. I never got the chance to ask you why and what does the name mean to you for me? It never dawned on me before now. I guess I will have to ask our oldest sibling/sister Patricia. Maybe she knows. You will be missed in person but present in spirit, and the memories of you will carry on. Dwell in Peace and Power Big Brother Albert Lewis. Love Always, your sister Pam*
