“ It's been 1 month since you left earth, and all of my strength left with you... They say things get better over time. But scars never heal, yes a new foundation of skin grow back. But your skin will never be the same again. I love you daddy, I hope you love heaven as much as you loved me 🕊️❤️ Signed Your Princess Stank

“ I miss you soo much daddy. My heart is completely shattered and I don't know how to overcome this. I cry myself to sleep, when I wake up I pray it's a nightmare but then I get haunted by memories. I use to stay up nights praying for you. I thought losing a child was difficult, losing my father 2 years later is absolutely torture. I can't help but to question god why is this happening to me again. They say not to question god but then you would never know why god put you on this earth and you would be filled with many questions unanswered. One day at a time my child he answers, soon you will understand..
I love you Daddy Signed your princess Stephanie ❤️

“ What a peaceful time we had. . . Rodney, you and I, sitting on my front porch, enjoying the Summer breeze. I wish we could have spent more like that.
However, life sometimes gets in the way, and so we find ourselves here. So long cuz. Give my best to my BFF my best, I will see you both on the other side. Life is so short. 🙏
