Carol Ann Monnig, of Huntington, WV, passed away December 27, 2025 at the age of Eighty Three years, Eleven months and Fourteen days. Her grace, warmth, and selflessness will be remembered always by all who were blessed to know her.

She is remembered by her two daughters and several grandchildren and great-grandchildren, all of whom carry her love forward.

Carol was a very special friend. I will miss our conversations. They were such a comfort, and though we had been lacking in time spent together recently, I often thought about our small but caring Bible study. Rest well my friend. Liz.
