“ I just learned of Clysta's death yesterday. I am heartbroken. My sincerest condolences to your family. Clysta's mom was married to my dad (Doug Fifer), and for a while...when we were sixteen...I lived in their home. I thought of Clysta as a sister. She was a quietly beautiful and vibrant person with a bashful sense of humor. I can't believe I let life get in the way and now she's gone. All of my siblings, and some of our children, are grieving her loss today. She is missed.
