“ *Eddie was good person who had made some bad choices but he was always good to me and at times he helped my oldest son. I wasn't that close to him but every time I say him and needed help he helped He gave me the actual shirt off his back the first time I meet him, he was working on 34 with my dad. You will be missed.*

“ He was my step dad since I was 9 yrs old. With any step dad you have good times and some bad. But I know Eddie had a lot of love in him. Like anyone else he was battling something inside him. He fought for many years to over-come those stumbling blocks. I remember him as the step dad that pretending to be a bunnie rabbit on year on Easter for us kids and bounced all around the yard hiding eggs.
