“ Beth was so generous and kind. She always made an impact on the girl's home and looked for ways to help the girls at Golden Girl Group Home. She always wanted what was best for them. Beth is special her giving heart radiates through her. She put others first and would always talk about her family and how much she loved them. Her granddaughter was her pride and joy. She would beam when she talked about her.

*Love her.....Nikki Thomas*

“ I first met Beth when Dave was in WVU law school. Over the years we have spent so many good times, boating, skiing, rafting, camping, etc. Our sons, about the same age, spent many weekend getaways together. We think Melinda said it as well as it can be said, so I won't attempt it. Beth was always a touch of CLASS.

“ Beth was like a second mother to me and taught me some of life's most valuable lessons that have always stuck with me. She was an outstanding example of a true matriarch and carried herself with immeasurable strength and exuded nothing but grace. Beth knew how to make you feel welcome and accepted and loved, it was a natural knack she had with people. She had impeccable taste that everyone always admired and was the most giving person I know. She was taken from this earth too soon but everyone will always remember how she touched our lives and left us with such wonderful and precious memories that will continue to live on in our hearts. ❤️

“ I am so very sorry to hear of Beth's passing. We met in kindergarten and grew up together in Williamstown. When our class would get together for reunions, I always enjoyed our visits and catching up with Beth. She was so proud of her family and so much fun to talk with at these events. I will miss her and remember her family in my prayers.

“ *Beth and I are first cousins. Our memories go back to mostly childhood memories. As to often life starts and we fall away from family and loved ones. My heart goes out to all of our family and Beth's immediate family. I pray for peace and comfort. In Jesus name* □
