“ *All in my family are heartbroken to learn of the loss of Eric. We have so many memories of this family who were our much loved neighbors in Fairview. We got to know and love all of them, and I had all of them, as well as some of the grandchildren, in school. Eric was always sweet and kind and grew into a wonderful young man and father who loved his family. It was always pleasant to run into him! I know he will be missed by everyone who knew him. My prayers are with all of you! Much love, Walli Conn*

“ I worked with Eric for almost 19 years at Wal Mart and no matter how bad of a night you were having he would always say or do something funny to make you laugh and that would make the night a little easier to bear. He was my friend and he will be missed 😞💔

“ Eric and I met when I started school at WJHS. He played football and I was cheerleader. He was always so bubbly , playful and always chewing gum. We became friends and remained friends. My heart breaks for his family. I pray God gives them peace and strength for the days to come. This world will be dim without him and his smile and heaven got alot brighter. Rest easy Papa Fitz. “ I am completely shocked to hear of Eric's passing. Feels like a kick to the gut and I'm broken-hearted beyond words! I met Eric in Jr High and have loved him so dearly ever since. He took me to my senior prom in 1985 and when the very first song started playing he jumped up and said, "Let's hit the floor, Julie-Belle!" Well, we both did because he tripped on my dress and we both fell and really did hit that floor! Eric was such a fun and loving person and I'm so thankful to have had him as my friend. God bless the Fitzpatrick family and I'm keeping all of you in my prayers.

“ Eric and I shared an apartment our Senior year at Marshall University. Some of the biggest laughs I’ve ever had were shared with him in that apartment. What a pair of “Ladies Men” we thought we were! Rest easy Chop, I’ll see you on the flip side...
