Tribute Wall

“ *Time flies. He'd called me out of the blue a couple weeks or coulda been days before his death. Told me about his adventures out west, and how he'd upset every group of people he came across. I couldn't believe it. Everyone thought he was awesome to be around. I remember a conversation I had with the late Andy Hutchinson. I refuse that "Hutch the Dutch" bs because nobody ever called him that, but back when we were 1st out of high school he said everyone needs a Waller. I was like well im closer to Evan. He was like my point exactly everyone needs a Waller. Those boys were cool. Miss them both. Especially when I think back to the pre 2008 days.*

“ *It saddens my heart to hear about Evan. I have so many good memories with your whole family when our kids were growing up. Our time here on earth is only temporary for us all. it's hard to understand why some are taken so young, Diana, just know that you and Rick our in my prayers. Can't imagine your grief and sorrow you feel. Stevie and Evan will be someone I will always remember. Love and prayers to You and Rick 🙏*
