“ Fannie was an incredible woman.

I met her two times in my life, once when I came out to do the funeral service for her granddaughter Tamara and the other to visit her son Tony.

She left an imprint on my heart, kind, soft, patient, loving and funny.

I had the blessing of being Tony's pastor when he lived out in California.

My heart is hurts for Tony and his brothers.

Yet, I know my brother's will have the opportunity to be with her some day.

Rev 21:1-6, "Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away. Also there was no more sea. Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. And I heard a loud voice from heaven saying, "Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God. And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away." Then He who sat on the throne said, "Behold, I make all things new." And He said to me, "Write, for these words are true and faithful." And He said to me, "It is done! I am the Alpha and the Omega, the Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts."
