“ I worked with George for a number of years at the Corps of Engineers. He was such a great man and fond acquaintance of mine. I'd occasionally him in the hallway and we'd catch up on his life...his son becoming an engineer, or another 300 game that he had just bowled. Then I'd see him from time to time after he retired. We were both always so glad to see each other. It breaks my heart to hear of his passing.. such a kind soul. My deepest sympathy to his family and friends. Rest in peace, my good friend.

“ It seems so cruel to lose one so well regarded as George Madison. He was an affable person and fun to be around. I will always remember the good times we shared.

George was a talented "Mr. Fix it" and always willing to assist someone in need. He possessed a strong determination to meet any challenge. Our community is poorer without him. Wishing the family strength and peace in the days ahead.

Celebrating the life of a good man and mourning his passing.
Sincerely,
Stan Johnson
