BURNED BRIDGES I look to the east I look to the west Where I end up That's anyone's guess. I've burned a lot of bridges in a whole lot of places I miss all my family my friends, all the faces. Now I'll set out on this journey to where? I keep asking myself does anyone care? Although I know all of these words ring true I find myself asking What's next? What should I do? I've burned a lot of bridges in a whole lot of places It's time to make amends I need to go through the paces. I do know one thing all of these bridges I will mend but can I be forgiven? I'll find out in the end
