“ *Dad,
Although we didn't see each other everyday, I still will feel the void of you not being here. This is so weird to have to write this, as I felt like we had years but God wanted you home. I will not question God because I know he knows best but it does not hurt less.
Love you,
Pooky*

“ They say that time is a cruel mistress and suddenly I see why. You never know how long you will have with those with whom you have shared life's adventure.

It is difficult to imagine I will never see you again You brought joy and humor to every occasion. I wish you could put a smile on my face once more. Your vibrant spirit and engaging personality was a gift to all you encountered. You will forever be missed by all you knew.

Thank you for the laughter, good times and fixing things that were not even broken. Farwell good friend.
