“ Memories

*They say memories are golden.  
well maybe thats true  
But we never wanted memories,  
we only wanted you.*

*A million times we've needed you  
A million times we've cried .  
If love alone could have saved you  
you never would have died.*

“ I worked with Barney about fifteen years ago at The Beauty Spot in downtown Huntington. I have not seen him since I quit there in '92. The funniest thing I remember about Barney was something he told me he did to our supervisor before I became employed.
