“ Bro. Jimmy will be missed in our little Gospel House Church. we will never forget his smiling face. He would always get on to me saying I can't hear you singing. Then one day not long ago he said I finally heard you and you sound so good. He always blessed me just to see him come into the church with his smile no matter how bad he felt. He would bring Daryl honey and would never let me pay for it. You will be so missed and praying for God to give the family peace and comfort their broken hearts.
