“ *There are no words to express my sorrow in losing Jennifer. She was like a sister to me. I'm thankful for many beautiful memories that i have with her. From painting in Mrs Hammers art class (high school) to sleigh riding in the snow as kids and camping trips. Jennifer was a loving and selfless friend. She was there supporting me when i went through the loss of my own dear mother. Praying for the family to find comfort and peace in this difficult time.*
