“ I was just thinking of your mom. After she retired and left town we didn't keep in touch. So I thought I would look her up. I was shocked to see she had passed. I want you all know that you are in my prayers. We worked together at the Bay Pines VA. She was my big buyer in Avon. I had been to her house and met some of you and your dad.

I will never forget the smile, sense of humor and laugh she had. She will be greatly missed, but now she is with the love of her life. I never seen any woman ever get so many red roses from your loving father. May they both rest in peace now together forever. 🙏🌿🌹
