“ I loved Linda so much. She was a substitute very often at the school and I loved to see her there! She would make me and my friend food and bring it to us to try when she knew she'd be having us. Such a good lady, she'll definitely be missed.

“ She was such a wonderful person! One of my earliest memories of Linda was her coming to Head Start and playing her guitar. She was more like a family member to me, being friends with my siblings growing up in Chapmanville. To her sisters: my heart is heavy, and you will be in my thoughts and prayers during this time. - Dawn Barker Adams
