“ *Who will I call now besides Jesus. No matter what time it was, I could pick up my phone and call my Aunt Cindy. She was always there for me and my family - no matter what. She is deeply going to be miss by all, but I know she is home with Jesus now. R*

“ *A very bright light has gone out in this world. I have faith that one day we will be together again. In a land where death shall be no more. For those of us left behind, please remember her smile and the love that she showed each of us. It did not matter*
