“ I lost a part of my life memory  
of which you were a part, dear friend  
A bond that spanned a life time  
came abruptly to an end

will my memories sustain me  
even now that you have gone  
or will your image slowly fade away  
without a face to gaze upon

I'll hold tightly to your memory  
and forever miss you so  
Buit I trust that God must need you more  
and I will gently let you go.
