“ *It is with great sadness that I have read of Merry's passing. My heart is broken. I have known Merry for around 40 some years and have always considered her to be one of my best friends and one of the the finest, kindest, people I have ever known.*

We met when our children were small, and then eventually Jerry and I moved away, but we always kept in touch over the years. We share in your deep sorrow and send our sympathy to the Rothbard family, Chuck, daughter Merry, grand daughter Kelly, sister Betsy and brother George.

“ *I am so sad to hear of Merry's passing. She was the best friend anyone could ask for for almost 60 years. We had so much fun sitting on the back stairs of our dorm at Connecticut College debating the merits of the Beatles vs opera. We did not get together very often after college but there was still a connection that continued via letters, email and brainwaves so we were never far apart in spirit. My deepest condolences to Chuck, Merry, Kelly, Betsy and George.*
