“ It has been many years since I saw Michael, probably since High School. Even though many years have passed I still remember him as being a good person. I remember going to his house which as across from Antrim Players. My thoughts and prayers go out to Jackie and the family.

“ of many wonderful memories, one, the dog, Mr. Peepers; another, for some reason, when he was little, we taught him to say, when asked his name: "Sam Michael Luigi". I have no idea how that name came about, but he still remembered it a couple of years ago. Wonderful cousin.
