Nancy was my big sister. Out of the eleven children our parents had, I was the youngest and Nancy was next to me in age. I was so proud when I got to see her and she told people I was her baby sister. When I was a young child, she was my idol. I loved her so very much! Rest in peace, Nancy. Our last visit, just a few days before her death, was such a nice visit. I love you Nancy. You will be my heart until we meet again.

“ *Nancy was a dear neighbor of mine for a number of years when we lived in the Pea Ridge area, close to Barboursville. We enjoyed interesting conversations with each other. And Shannon, I remember all the special occasions, like Easter, Halloween, etc. You would participate in the Easter egg hunts in my yard. Shannon - please know that you did your very best - excellence- as a caretaker to your mom. And for my friend, Nancy- Go rest high on that mountain.*

“ Nancy was one of my closest friends as we were growing up and was a classmate of mine all 12 yrs of school. We lived across the street from each other when I first moved to New Haven. I will never forget all the good times we had together. I know she was special in my life and I hope when she thought of me it was with fond memories as well. Rest well my old friend.
