“ *My Dad was a very non-nonsense kind of individual and when I was a little girl (he nicknamed PeeWee) I thought he was bigger than life itself. He was respected by all that knew him and did not play. As an adult I was unable to visit with him on a daily basis due to the distance between us but thought of him often and prayed for his well being. I loved him very much and know I will see him again one day LOVE U DAD!!*
