“ *Kathy  
I'm so sorry to hear about the passing of your sister Tish. Linda has told me about your many weekly trips to visit her during treatment. I'm sure you brightened her every day. You were a wonderful sister to Tish and I'm sure she knew that you were always there with her. I'm sorry for what you and your family are going through and I hope you find comfort in knowing she has passed on to Heaven. Jean McQuestion*

“ *I was so lucky to have known Tish through my friendship with Kathy. I really appreciated her quick wit and dry sense of humor. She had such a great presence. Tish was a wonderful mother, daughter, sister, grandmother and friend and she will missed by all. There's now another angel in heaven! My deepest sympathy to Mrs. G, Kathy, Caitlyn and her precious grandchildren.*  
*Love Always*

“ To Kathleen, Pat, and Caitlyn. I am saddened to hear of Tish's passing. She has and will always hold a special place in my heart. Although I lived far apart from her, I followed her from afar. The world is a little colder and shallower today for mother earth lost one of her brightest lights. May she rest in peace and continue to shine in the stars above. I will always love you and a piece of me will always be lost.

“ Caitlyn, I'm so sorry to hear of your mom's passing. She was certainly a hoot, and always made me laugh. I have lots of funny memories of her from Beale School. I did my student teaching and taught alongside your mom at Beale. We had a great 6th grade trip to DC the spring of 2001. She was so much fun. I last saw your mom last year at Kohl's during the Christmas shopping season. We were still laughing about funny things from years ago. I am praying for you, your children and family. Your mom will be missed. ❤️🙏

“ Tish was my mentor when I did my student teaching. I learned a lot from her and was greatly encouraged by her. She was so funny, loved the children, and knew how to conduct a classroom. I, for one, will greatly miss her and will cherish my memories of her.

“ So sorry to hear, she was the best teacher and dearly loved all students. Over a span of several years, all three of my children had the honor of her teaching skill and compassion.
