“ Rick, I so enjoyed our conversations and friendship. You were such a nut - always humorous and a good friend. I will miss you. I still check my phone and email for messages from you. May you rest in peace (or, as you would have said, pieces).

“ *Rick was one of a kind. A multi-talented man with a sometimes different slant on life and it's many mysteries. He will be missed. My sympathies to his family and many friends.*
