### Roger Lee Tincher Obituary

Roger Lee Tincher, 74 of Huntington (previously of Chesapeake WV), passed away on Friday, August 5, 2022, in the Huntington Health and Rehab facility.

Roger was born May 17, 1948, in Madison, WV and was the son of the late Carl D. and Mary Ruth Tincher. Roger was also hopeful that his many friends and social groups will remember him as they gather for reunions and socials.

His heart was full when he thought of and remembered his times with his friends from Leewood, and East Bank schools, from Morris Harvey College and baseball teams. Roger had a lifelong passion for sports and he fulfilled that passion through baseball, softball, golf and bowling. He enjoyed his time working with the Bureau of Employment Programs and made many lifelong friends there. He also will be missed by his fellow cigar aficionados.

In addition to his parents, he is also preceded in death by his older brother Donald E Tincher; uncles Jim, Dewey, Junior, Fred, Tom, and Joe; and his nephew, Carl Scott Tincher. He is survived by his brother, Jimmy Ray Tincher; nieces and nephews Todd Creasey (South Charleston, WV), Jennifer Sette (Hurricane WV), Ruth Roberts (Killeen, TX), Jaime Tincher (St. Paul, MN), Charlie Tincher (Jarrell, TX), and Jimmy Ray Tincher Jr (South Charleston, WV); and many great-nieces and great-nephews.

Per Roger's request, the family will have a private memorial at a future date. Friends may make donations in Roger's honor to one of his favorite charities, St. Jude's Children's Hospital, or the Wounded Warriors Group. Roger will be

greatly missed by many, and he reminded his niece recently of the importance of “taking time for life when you have the ability because it is taken away before you have time to catch up.”

“ *So very sorry for your family loss. Roger was a good friend. We played Little League, Pony League, Colt League, and American Legion baseball together. We recently got together with other friends and met at our 50th High School reunion. We had a great time hashing over all the things we did growing up together. After the reunion, we kept in touch with each other by phone calls and continued talking about old times. I'm going to really miss Roger. As I said in the beginning, we are good friends and I'm really going to miss Roger. Rest in peace, my dear friend. You will always remain in my memory with our times together.*

“ *So sorry to hear of Rogers passing. I have many good memories of growing up at Decota with the Tinchers as one of our neighbors. Good times and good people.*

“ *RIP Roger. We went to school together from the first grade until graduation in 1966. Our families were friends and lived only a couple miles apart. So glad you fulfilled your dream of always being involved in sports. Friends forever, Karen Slack Cantley*
