A Poem of Love: A father, every daughter's first love. You never said, "I'm leaving", you never said "goodbye". You were gone before we knew it and only God knew why.

A million times I needed you, a million times I cried. If my love could've saved you, you would never have died.

Remembering you is quite easy, I do it every day. Missing you is the heartache that just never goes away.

A true friend we can count on through the good and the bad. That handsome man, one of our greatest blessings is the man I call my Dad. -Kesi Mama XX.
