“ *Sheila and I went on a training trip to Philadelphia for the Huntington Human Relations Commission where she and I worked. We enjoyed the training and also took a train ride to Atlantic City. There we took in the shows and entertainment. I will always remember the good time we had.*

I'll always remember Sheila's sense of humor, laughter, and that beautiful smile. What good times we had at Marshall University. May she rest in peace.

“ *Shelia and I worked together at City Hall for many years. She was always a pleasure to see each morning with her beautiful smile. We met for lunch several years ago and it was so good to know she was in a good marriage and doing well. My thoughts and prayers go out to her family and friends.*
