Thanks for completely taking over my mom's complete after death arrangements without as much as a phone call to me or my brother. Did you forget she had kids and grandkids? Probably so since you forgot about her. I resent the whole situation. I love my mom's side of the fam but I know why my dad was so annoyed!

“ *Though I know that this is a difficult time for you, my hope is that you will be comforted from God's inspired word the Bible. John 5:28,29 and Revelation 21: 3,4 gives hope of a future resurrection and the complete elimination of death, pain and mourning*
