“ *Steph you will surely be missed and I know you suffer no more. I hate that your life was so short and you felt that the only family you had and felt at home was on the streets fly high and know that you were loved and will be missed*

“ Steph it's super hard to even say you're gone, it's even harder to know I'll never see you again 💔 😞 😭 but I know you're in a happy place now and free of addiction ❤️ ❤️ . I can't even be upset yet because this doesn't seem real, but now its setting in seeing your obituary it absolutely brakes my heart 💔 😭 but girl please please know that you are and were a special friend and that we love you. ❤️

“ Stephanie, I'm so heart broken to hear of your passing. I wish I could've seen you again and more often, I can still hear your laugh and I can still remember when we first met, how you became a friend to me forever. I love you girl, and I'll never forget you, I hope to see you again one day when my earthly life is over and we can laugh together again.
