Best Mom Award For all the things I didn't say, About How I felt along the way-- For the love you gave and.. the work you've done, Here's appreciation from your admiring son. You cared for me as a little tot, When all I did was cry a lot, And as I grew your work did too-- I ran and fell got black and blue. I grew some more and it didn't stop; now you had to become a cop, To worry about mistakes I'd Make; You kept me in line for my own sake. I got older, and the story repeated; You were always there whenever I needed. You guided me and wished me the best, I became wiser and knew I was blessed. So, for all the times I didn't say, The Love I felt for you each day, Mom, I love you and you mean so much to me. Mom, Thanks for everything. .
