“ *I thought the world of Bill for 20+ years. Everyone called him Moo and that's how they introduced him to me, but he wanted me to call him Bill (his words). I'm so very sorry for the loss for your family. Bill was so kind hearted and I still seen him on occasion at the farm he frequented. He always talked about his mom so positively and that spoke volumes of his heart! My condolences to the family.*

I played with billy on Acme Machinery at little league 7 in 1973. He was our starting left fielder. Even then his nickname was Moo Moo. He was a good teammate. Prayers and Condolences for the family.

We lost touch over the past few years when I moved out of state, but remember a lot of good times we had back home in Guyandotte. We had some good times when me and Moo packed up and moved to Charlotte, looking for work, and sharing an apartment for a couple of years. Moo was always laid back, and easy going. Time flies by, and is shorter than we realize. Sorry to hear him passing at what seems to be so young. My condolences to the family.
